

Hideki Azegami (Japanese Patent Attorney, 1st Grade Holder of Searcher Examination, Gold Prize Winner (2018 and 2017), Silver Prize Winner(2019) and Bronze Prize Winner (2015) of Patent Information Retrieval Competition)

Mr. Azegami joined ONDA TECHNO in 2003. He is a graduate of Tokyo University of Science (M.S./B.S. Applied Biological Science). He was admitted to the Japan Patent Attorneys Association in 2014. More recently, he won the silver certification of accreditation in 2019 and the gold certification of accreditation in 2017 and 2018 at the Patent Information Retrieval Competition. As the manager of the Search Department, he provides expert intellectual property search services with our experienced staff members.

Yoshinari Shindo (Bronze Prize Winner of Patent Information Retrieval Competition in 2013, 2014 and 2015)

Mr. Shindo has won consecutive bronze certifications of accreditation at the Patent Information Retrieval Competition in 2013, 2014 and 2015. His high level knowledge of techniques and prudent style of search has earned him deep trust from clients. He repeatedly receives search orders.

Kazuto Nakamura (Bronze Prize Winner of Patent Information Retrieval Competition in 2015, 2016 and 2017)

Mr. Nakamura won the bronze certification of accreditation at the 2015, 2016 and 2017 Patent Information Retrieval Competitions. Mr. Nakamura previously worked for a manufacturing company and has advanced knowledge and understanding of machines. He performs search and analysis for both domestic and foreign cases.

Mariko Go (Searcher)

Ms. Go majored in electronic engineering. Drawing upon her expertise and design ability, she displays great talent when conducting searches and making patent maps and summaries.

Katsuyoshi Kojima (Gold Prize Winner (2019) and Bronze Prize Winner(2017) of Patent Information Retrieval Competition)

Mr. Kojima previously worked for an electronics company and he engaged in patent external affairs and patent search for a long time. He currently performs search and analysis mainly for electrical and electronic cases. He won the Gold certification of accreditation at the Patent Information Retrieval Competition in 2019 and the bronze in 2017.

Risa Ichinose (Searcher)

Ms. Ichinose majored in organic chemistry. She previously worked at the planning and product development division for a tire manufacturing company. She performs search and analysis mainly for chemical, food and machinery cases.

Yuzhu Rui (Chinese Patent Attorney)

Ms. Rui joined Seven Seas IP Consulting Shanghai (formerly ONDA TECHNO Consulting Shanghai) in 2008 after working at an electric motor manufacturer and then at an IP agency. She is a graduate of Beijing University of Chemical Technology (B.S. Applied Chemistry). She was admitted to the Chinese Patent Bar in 2009. Her experience covers patent prosecution in the fields of chemical and mechanical engineering. She is capable of conducting business in Korean and Japanese.

Yingze Guan (Chinese Patent Attorney)

Mr. Guan joined ONDA TECHNO, Japan in 2005. He is a graduate of Harbin Institute of Technology (B.S. Heating-Ventilating and Air conditioning) and Gifu University (M.S. Mechanical Engineering). His work experience includes domestic and foreign patent application preparation and prosecution in mechanical and other fields, and translation of patent related documents from Chinese to Japanese, and vice versa, and from English to Japanese. He is a native speaker of Chinese and he is fluent in Japanese and English. He often shuttles between Japan and Shanghai.
